

WESTERLY MEN REGISTER PROMPTLY

Spaniards, Mexicans and Germans Among Those Listed on
Either Side of the River—Officials of the Day—Thirty-
fifth Annual Meeting of Pawcatuck Fire District—Wed-
dings—Funeral of John Handley.

There was no clanging of bells, no firing of cannon, nor no tooting of whistles in Westerly, Tuesday, for every young man between the ages of twenty and thirty, inclusive, knew fully as well as did the men who ordinarily pull the bell ropes, the lanyards and the whistle ropes, that Registration Day was here, and all were ready to respond and register ready to serve country whether it be in camp, on the battlefield, or in some civilian service that is as essential to the nation's life as if serving on the firing line. There were no "slackers" and every young man registering, did so with a patriotic spirit and is ready to do his bit when that duty is selected by the constituted authorities.

The registration of the two Westerly voting districts was taken in the town hall, and, in addition, the Rhode Island Military census was taken to assist the women who are soon to begin this work in Westerly. The registrars were therefore seated at the eight tables on either side of the hall, allotted to the voting districts. Chief Brown and four of his policemen were

on duty in the town hall. There was not the slightest disturbance and the registration progressed without any semblance of interference. Following is the list of registrars and the interpreters:

Town board: President Maurice W. Flynn of the Westerly town council, Town Clerk Everett E. Whipple.

First district registrars: John Ferguson, Francis G. Haswell, Everett A. Kingsley, Thomas E. Robinson, Howard E. Thorpe, Michael J. Turano.

Second district: John J. Dunn, Everett Barnes, Herman Dock, George A. Dolan, Walter C. Hiscox, Daniel F. Larkin, Arthur L. Perry, Clarence E. Roche, Russell L. Stoughton.

Some registrars: Charles S. Fowler, Charles E. Coon.

Interpreters: Charles Ruisi, ePter J. Conn, Theodore Skovrozy and Santo Carlon Nigrelli.

First district state military census enumerators: William H. Brownings, Henry M. Clark, George H. Harper, Lewis A. Joslin, Wilfred B. Utter, Frank N. Wilcox.

Second district: Clayton A. Burdick, E. Howard Clark, Edward E. Coy, Arthur M. Cottrell, Samuel H. Davis.

In Pawcatuck, just over the river in Connecticut, the registration board did the work assigned them without a hitch, the session being held in the village hall. The registration board composed of Frederick J. Boutlier first selectman of the town of Stonington, Joseph McGuinness, George E. Leonard, Albert G. Martin, Louis E. Burdick, C. Irving Spencer, George T. Lord and Fred J. Burdick. Captain Shelby Nicholas, and a guard detail of the Pawcatuck company, Connecticut Home Guard, fully uniformed and equipped, were on duty outside the building all during the session, and in readiness to suppress any disturbance, but none arose. The work of the guard was up to the minute and the relief transfers were in true military style.

The Pawcatuck Fire district increased in liberality with age as demonstrated at the thirty-first annual meeting. When the salaries of the tax collector were increased, and for a first time salaries were voted to the chief engineer and to the three assistants. The meeting was held in the town hall, Barber fire house and Moderator Albert G. Martin presided, the official call being by Dr. William A. Hillard Clark.

Chief Henry A. Stahle submitted the report of the board of fire engineers and referred to the installation of an electrically controlled fire alarm system.

The report of Treasurer Claude I. Spencer showed the receipts of the year have been \$10,625.31, and expenses of \$10,604.87, and that the district debt had been reduced nearly \$1000.

Collector Charles J. Morris, reported the collection of taxes to the amount of \$7,112.69, interest and fees \$44.87, and that \$140 in taxes were not collected.

The legislative act authorizing the fire district to expend money in the construction of sidewalks was approved, and an appropriation of \$500 was made for that purpose. A plan was favored that would provide that the district, the town and the abutting property owner each pay one-third of the cost.

It was voted that the salary of the chief engineer be \$100 a year, and \$25 for each assistant engineer. The salary of the collector, and also the treasurer, was fixed at \$100 a year, and another \$100 was voted to the man who cared for the motor-driven hose wagon.

Officers for the ensuing year were elected as follows: Joseph H. McGuinness and Fred N. Burdick acting as tellers; Albert G. Martin, moderator; William A. Hillard, clerk; Claude I. Spencer, treasurer; Charles J. Morris, collector; E. Everett Watrous, William A. Hillard, Walter Fitzgerald, assessors; Albert R. Stillman, William A. Hillard, auditor; Henry R. Stahle, chief engineer; Frank J. Dawley, James Shea, James McKnight, assistants; Charles J. Norris, Albert G. Martin, Pierce D. Morrison, fire wardens; Albert R. Stillman, trustee; Peleg S. Barber fund.

The executrix's bond is \$2,000.

Dwight C. Brown died in Westerly May 27, 1917, intestate, leaving a daughter, Mary F. Brown and a son, Stephen E. Brown. Upon their request Thomas E. Brown was appointed administrator and the bond was fixed at \$300. Harry B. Agard, appraiser.

The Washington Trust company, administrator, submitted first and final account of the estate of Harriet E. Randall, showing expenses and legacies to the amount of \$10,351.40. The account was examined and approved for record.

They were attended by George Robinson of Stonington and Charles Williams, sister of the bride. At the same time, Madera, Calif., Miss Alice J. Williams, another sister of the bride, was wedded to Wesley A. Thomas.

At 4:45 Tuesday afternoon there was considerable excitement for a brief period in Dixon square. An alarm was sent in for a fire in the Rhode Island state, the traffic signal bell commenced to tinkle and soon the sirens of the motor hose wagon and the fire engine, hook and ladder truck joined in and there was some din, above all being the continuous blasts of the fire alarm whistle. The square was crowded in a shift. All this excitement was caused by the bursting of a hose from the oxygen tank in connection with the welding work. No damage of consequence resulted.

A FRIEND'S ADVICE
Woman Saved From a Serious Surgical Operation.

Louisville, Ky.—"For four years I suffered from female troubles, headaches, and nervousness. I could not sleep, had no appetite and it hurt me to walk. If I tried to do any work, I would have to lie down before it was finished. The doctors said I would have to be operated on and I simply broke down. A friend advised me to try Lydia E. Pinkham's Vegetable Compound, and the result is I feel like a new woman. I am well and strong, do all my own house work and have an eight pound baby girl. I know Lydia E. Pinkham's Vegetable Compound saved me from an operation which every woman dreads." Mrs. NELLIE FISKE, 1521 Christy Ave., Louisville, Ky.

Everyone naturally dreads the surgeon's knife. Sometimes nothing else will do, but many times Lydia E. Pinkham's Vegetable Compound has saved the patient and made an operation unnecessary.

If you have any symptom about which you would like to know, write to the Lydia E. Pinkham Medicine Co., Lynn, Mass., for helpful advice free.

Naval recruits ordered to New Haven—Men to Provide Walk at Methodist Church.

For the first time the present generation heard the whistles blow and the bells ring to sound the registration call. Probably more tears were shed in the town of Groton at 7 o'clock Tuesday morning than at any one time since the volunteers marched from the town to join the ranks in 1861.

The registration moved like clockwork. First Selectman James H. Shea was in charge of the duties of the day. He had all details so carefully planned that the president's demands were carried out without a hitch.
